

Wednesday, April 1st: 12:00pm-1:00pm CST

# The Big Picture: The Economics of Hemp

Maria I. Marshall, Ph.D., Professor  
Department of Agricultural Economics  
Purdue University

**Dr. Maria Marshall** is Professor in the Department of Agricultural Economics at Purdue University and Director of the Purdue Institute for Family Business. She has an internationally recognized program focused on small and family business development. Dr. Marshall will provide an overview of the Hemp market. The overview will include trends associated with licensing, pricing, and production. She will also provide a summary of recent producer surveys detailing 2019 producer expectation and experience. In addition, she will touch on the COVID-19 Virus and the impact to the Hemp industry.
